MINUTES OF COUNCIL ON ACADEMIC AFFAIRS

January 28, 1960

The Council on Academic Affairs held its seventh meeting at 10 a.m. , January 28, 1960 in the Blair Hall Lounge - B207.

Members present were: Mr. Damann, Mr. Giffin, Mr. Heath, Mr. Landis, Miss Reinhardt, Mr. Rommel, Miss Smith and Mr. Tingley. Ex-officio member: Mr. Manbeck. Mr. Heller and Mr. Lefler were absent.

I. Communications Received by the Council

It was agreed that communications received by the Council should be announced in these minutes. Recent memos and reports are:

- (a) Memorandum from President Doudna..... January 8.  
"I have been rather concerned for some time that Eastern accepts credits in transfer when grades are less than C. Some schools do not do this and I think your Council might well consider whether Eastern should make the change. My understanding is that at present we accept credit when the grade is D, providing an equivalent number of credits are represented by courses in which the grade is B. This is covered in the first paragraph on page 68 in the catalog."
- (b) Report from Dr. Glenn Seymour..... January 15.  
The Social Science Department has submitted a proposal recommending changes in their curricular offerings.
- (c) Memorandum from President Doudna..... January 23  
The attention of the Council was called to a proposal made by Richard Browne in 1949-50 relative to general requirements and proficiency examinations at Illinois State Normal University. A publication entitled, "A Tailor Made Curriculum", was enclosed.
- (d) A Study on Curriculum Constructions by Dr. McKenna..... January 25  
An eight page report entitled, "Some Historical Roots of the B.A. and B.S. Degrees", has been submitted by Dr. McKenna to the Council.

II. General Requirements for B.S. and B.A. Degrees

Discussion centered around the principles of the proposals.

The meeting adjourned at 11:45 a.m.
